A Little History of Schnapper's

Schnapper's Hots, opened on June 15, 1998, and draws its name from owner Vince Chiaramonte's brother-in-law, a Buffalo, New York legend known as "the Schnapper". The Schnapper was a wonderful, friendly, fun loving guy. When George, "the Schnapper", passed away, Vince and his wife, Joan, decided to keep his memory alive, so they named the Hot Dog Stand after him.

We're striving to make Schnapper's the kind of friendly and fun place customers enjoy visiting, while experiencing the absolute best quality dogs, burgers, fries, onion rings, fish & chips, shakes and hand dipped ice cream.

Visit Schnapper's Hots on Sanibel.

Create a memory!

Thanks

Vince Chiaramonte
